

DANIEL'S VISIONS

The interpretation of the King of Babylon's dream by Daniel the prophet and his own two visions of beasts was Yah showing us His plan for the age of man. The great statue of the King and the beasts Daniel saw has the same meaning and were verified by angels and history.

This is the way they appeared:

The Statue	Vision I	Vision II
Dan. 2:31-34	Dan. 7: 2-14	Dan. 8: 2-13
Head of Gold	Lion	
Chest/Arms of Silver	Bear	Ram
Belly/Thighs of Bronze	Leopard	Goat
Legs of Iron	Fourth Beast	Horn
Feet/Toes of Iron/Clay	Little Horn	

The Head:

The head of gold on the King's statue and the beast like a lion with wings as an eagle was the Neo-Babylonian Empire. It was in full power at the time of the King's dream. We are told the head of the statue was Babylon represented by its King. The gold represented the kingdom's grandeur. There has never been in all of history a kingdom as grand as the Babylon Dynasty.

This empire, history tells us, was from 626 BC until around 539 BC. It boasts one of the world's seven wonders, the famed Hanging Gardens. It was noted for staged temple-towers 295 feet high and several colossal golden statues weighing many tons each.

In his dream the King saw the statue standing upon the earth. The angel told Daniel the beasts he saw in his visions were kingdoms that rise up out of the earth. Now earth speaks of literal earthly kingdoms such as Babylon that was to play a part in human history and hold sway over mankind.

The Chest and Arms:

The chest and arms of the statue were silver. Silver is inferior to gold and thus the next kingdom would be inferior to Babylon. The next beast in Daniel's first vision was like a bear with three iron ribs in its mouth. In the second vision Daniel saw this same kingdom as a ram with two horns.

Yah was not fooling around here. Hundreds of years before it arrived upon the scene of time the angel told Daniel this was the Medio and Persia Kingdom. History tells us this empire took prominence in 539 BC and lasted until conquered by Greece in 330 BC. Media was the smaller horn on the ram in Daniel's second vision. Persia was the longer horn and Medio later made an alliance for it was stronger and more powerful than Medio. In Daniel's first vision it was depicted as a bear with three ribs in its mouth and

they represented their three great conquests, Lydia in 564 BC, Babylon in 539 BC and Egypt in 525 BC. (**World History**)

The Belly and Thighs:

The statue's belly and thighs were made of bronze. This kingdom would rule over the whole earth. Daniel saw it as a leopard with four wings and four heads in his first vision and in the second it was a shaggy goat with a predominate horn. That horn became broken and four little horns grew up in its place. The angel informed Daniel that this kingdom was Greece and the large horn was its first King.

In the history books you find that Alexandra the Great, first king of Greece, conquered nearly the whole known world at that time. The wings of the leopard in Daniel's first vision spoke of the swiftness of his victory. However, he died suddenly in 323 BC and his kingdom was divided between his four generals. Thus the four heads of the leopard in vision one and in the second vision the four smaller horns. These generals spent more time squabbling among themselves than taking care of the realm, so their power waned by 63 BC.

The Legs:

Now the legs of the statue were iron, and Daniel told the King this kingdom would be strong as iron and would crush and break all other kingdoms. The fourth beast of Daniel's first vision, the one with iron teeth that trampled everything underfoot, also represents the legs. In his last vision Daniel sees it as a terrible horn.

The angel tells Daniel about this kingdom but does not identify it.

History, however, tells us who the legs, fourth beast and terrible horn kingdom are. We see in history this kingdom was the Roman Empire and it took nearly all the territory as did Alexandra the Great. Coming out of one section of the old Grecian Empire, this beast rose to power in 63 BC. In the later part of her reign, she was divided into an east and the west providence. This is seen in the statue as the two legs. Represented by her standard of the iron eagle, she held the territories in her grasp with iron talons.

There has been a lot of talk about Daniel's 70th week. Bible prophecy students try to put the events of that time in our future, saying it is yet to be fulfilled in the natural.

Now here is wisdom, the prophets prophesied until John the Baptist. I would like to remind you that all Daniel saw was literal and proven by history up to this point. But YahShua came and now the words of the Prophets begin to take on spiritual emphasis and are no longer literal. This would mean that the events in Daniel's 70th week took place before the time of John the Baptist and was a literal fulfillment.

According to the history books, in 168 BC Antiochus Epiphanes sat up a statue of Zeus, a Greek god, in the Temple at Jerusalem. So, why are those prophecy people looking for it to happen literally again? From the coming of John the Baptist on the prophets words are spiritual and not literal. This is a trend through out all of the prophets. At a certain point in their writings they begin to speak of things that can only be understood or interpreted as spiritual events and happenings.

Old Covenant/New Covenant:

Yah came to earth in human flesh and changed times and concepts. YahShua paid the sin debt with His own blood and reconciled man to Yah. A New Covenant was established, not a natural one this time but a spiritual one. Things were to change, man was to become spirit beings instead of being human and this through a new birth, making them heavenly instead of earthly.

From the time of YahShua's resurrection emphasis has swung from earthly kingdoms to religious kingdoms, principalities and powers in high places. "High places" were shrines and places of idol worship. His dealings on this side of the cross are with religious kingdoms more than with physical world orders.

YahShua was trying to show this to Nicodemus when He said, "*You must be born of water, (natural birth/Old Covenant), and of the Spirit, (spiritual birth/New Covenant), to enter the kingdom of Yah... Flesh gives birth to flesh, but spirit gives birth to spirit*".

It says that Daniel's 70th week ended with the cutting off of the Messiyah and the breaking of the Covenant in the middle of the week. YahShua came to Jerusalem on Palm Sunday and was hung on the cross on Wednesday, the middle of the week. With the death of YahShua the Old Covenant was nullified and cut off and the New Covenant established. He takes away the first to establish the second.

From the beginning until YahShua came Yah dealt with man in the earth realm, that was the Old Covenant. The New Covenant is a spiritual one, and so from the cross this way things were to be interpreted spiritually. Failing to do so makes you carnal minded and an enemy to Yah.

In 70 AD, as Daniel had foreseen, You read in history that Rome crushed and stomped Jerusalem into dust, not leaving one stone upon another. This attack was not only to punish Israel for killing their Messiyah, but also to destroy the religion kingdom of Judaism, the religious system of the Old Covenant that persisted to exert itself over the people. YahShua also made this same prophecy about the abomination that makes desolate. What Daniel seen happened in 70 AD is the same thing that YahShua prophesied in His day. YahShua told His disciples it would happen again. This time it would happen to religious Jerusalem, the visible church seen today. "*Verily I say unto you, There shall not be left here one stone upon another, that shall not be thrown down.*"

Feet and Toes Kingdom:

The feet and toes of the king's statue were partly iron and partly clay. Daniel says this kingdom will be a divided kingdom, meaning the people will not mix and not remain united any more than iron and clay.

If the feet and toes kingdom was natural like the others and was to be a world government then you could look at the world today and see its fulfillment.

Even if one does not want to accept the fact that the feet and toes kingdom is not natural, but a religious one, they will at least have to admit that this feet and toes kingdom. There were two feet, at least two kings and the toes speaks of many kings or authorities of smaller providences coming out of the two. This is more than one king. Stop looking for a one world government with antichrist as its king and see that the next world government will be the Kingdom of Heaven, and it is (Yah) the "Ancient of Days" who sits on that throne.

Different Animal:

I want you to notice what Daniel said about the fourth beast, Rome, after it crushes and tramples underfoot all that was left of Judaism, the religion of YahShua day. *"It was different than the former beast..."*

How was this kingdom different? It was in the statue and it was an earthly kingdom like all the other kingdoms. Just what was so different about this kingdom? The difference was that it was ruling at the time YahShua appeared on earth to change things from natural to the spiritual. This kingdom, unlike its predecessors, did not remain an earthly kingdom, but established itself as a religious kingdom.

What is interesting here is that part of the substance that makes up this feet and toes kingdom is the same substance found in the legs kingdom, but mixed with clay. This verifies that part of the feet and toes kingdom is a carry over from the Roman Empire. Rome started out as the other beasts as a literal physical kingdom, but ended up the Roman Catholic Church, a spiritual kingdom and head of the Beast System of Revelation. The first, second and third generations, Fundamentalists, Pentecostals and Non-Denominationalists were birthed out of Catholicism. They are partly iron and partly clay, which means they fell into the flesh and clay realm and became just like their mother in religious authority. Remember kingdoms in the New Covenant are spiritual or religious, not nations.

Rise of Religion:

Rome under Nero was in chaos and unable to maintain the power it had by physical force because of its own weaknesses. As the Roman Dynasty began to crumble from within its Council began to look for other means to keep control of the people. This

way of Christianity had proven resilient and unmovable under persecution and Rome had learned over the years its strength was built upon its faith.

We are told in history that in the fourth century Rome took on a new face, embracing Christianity, Rome made it the religion of the state. This gave them a base of operation to set up its new religious kingdom, but to appease pagan cultures they had to add things from their religions. A new religious order then arose from the ashes of old Rome, from the Empire of Rome to the empire of the visible Roman Catholic Church. The deadly wound was healed as prophesied in Revelation. The Caesars were now Popes and The Council became Cardinals, creating a more powerful kingdom through religion than even they imagined.

We know from history that in fifteen nineteen Martin Luther, a young Cardinal, tacked his thesis on the door of the Catholic Church. Yah had visited him and through revelation he saw that grace comes by faith and many of the early teachings of YahShua were rekindled. Overnight a new movement sprang forth called the “Reformation”. Revival had come to hungry hearts and Yah began to restore what was lost to Yah’s people during the Dark Ages. This was the birthing of the Fundamental churches of today. Then in nineteen and six Yah began to visit His people with the Holy Spirit outpouring and the Pentecostal Renewal movement began.

However, they both slowly fell to the earth like stars burning out in the atmosphere, becoming man’s order, no longer Yah’s. The scriptures teach that if you bring up a child in the way he should go, when he is old he will not depart from it. From the time of Martin Luther on the Vatican has had to share religious domination with her two daughters, Fundamentalism and Pentecostalism. These are the three Jesus Christ embracing factions on the world scene. When they waxed old they took on the ways of their mother in many ideologies and way, just like they were taught.

Later the Non-Denominational movement came out of the Pentecostals and rose to prominence, but they were still Pentecostal, and proved to be the daughter of their mother becoming an unrecognized unofficial organization registered in Washington. All these in their turn organized and begin to take on the characteristics of the statue and the Babylonian Harlot Religious System of Revelation.

Head of Gold:	Form of Yahlikness
Chest and Arms of silver:	False Security
Belly/Thighs of bronze:	Authority
Legs of Iron:	Controlling/Directing
Feet and Toes:	Deluding Influence- Some Truth/ Some Lies

It is always Yah’s way to call the spirit of a thing after its father or mother. YahShua told the religious leaders of His time, “*You are of your father the devil*”. Judaism took great pride in the fact that they were Abraham’s seed, but YahShua hit them where they lived and said their father was the devil, an enemy seed or tares instead of

wheat, for they did not believe Yah as Abraham was faithful to do. John the Baptist came in the spirit of Elijah because he challenged Judaism to prove their god just like Elijah did the priests of Baal in his day.

The Great Religious Harlot of Revelations in the Bible is called Babylon. To understand why she is called Babylon you have to go back to the Old Testament Babylon. We are reminded that everything that happened in the Old Testament is a type and shadow of spiritual things. The people of Israel were taken to Babylon and made slaves. What Babylon did in the natural, the religious Babylon is doing to the weakened soul and spirit of Yah's people.

We find in history that in 722 BC the King of Babylon laid siege on Jerusalem and destroyed the Temple and stripped it of its gold. Likewise, religious Babylon has laid siege to Yah's people, His Temple, and stripped them of Yahlikeness and power, taking them into organizational captivity making them slaves of the church and many times a ministry. So today, we see the Spirit of Babylon rest in organized religion.

Babylon means, "confusion" for it was there that Yah confused their language. Why did He do that? He confounded their language because they were trying to build a tower to heaven. Does that sound familiar? I do not have to remind you of the Rapture Theory for you to see the spiritual tower being built by religion.

The fact that YahShua made reference to the abomination that makes desolate tells us there is a spiritual event of which the physical one was a reference. Man stands in the pulpit of the house that represents Yah to the world, usurping the authority of Yah and causing all both small and great to worship the image, the church, of the Beast.

When someone finds out that you are a believer or born again the first thing they ask you is where do you go to church? In essence what they are asking is where did you receive your mark, religious theology and ideology? Then they go on to tell you about their church. They do not tell you about Yah; it is always the church, that minister, this ministry or the pastor. This is what we can see, but the spiritual side of it is much worse. The spirit of religion ruling in the lives of those called by Yah's name is the most deceiving and dangerous abomination of all. It causes the daily sacrifice, a life lived in communion with Yah, to cease and cuts off Yah's people from what He is doing. They receive in their forehead, thinking, and in their hand, ministries or doing, the mark of the beast, religious carnality.

Coming up out of one of the four horns or the Greek Generals, Daniel saw a horn, small at first but it grew in power and spread to the "Four Corners" of the earth having eyes and a mouth speaking boastfully. YahShua says of them, "*You say, I am rich; I have acquired wealth and do not need a thing.*"

The angel explains to Daniel that this kingdom is different than all the other kingdoms that will appear on earth. It had become a religious power and began to assert its authority in the souls of men.

When you control a country with military force you physically hold people, but far more powerful control can be maintained if you grasp and hold their souls, where all men truly live. The religious spirit of the Beast System was given power to do this.

Daniel watched for a while in great curiosity until he saw it make war with the Saints defeating them. Then the Ancient of Days came and pronounced judgment in favor of the saints of the Most High and the time came when they possessed the Kingdom.

In Revelation we read; *“And it was given him to make war with the saints, and over come them: and power was given to him over all kindred, and tongues, and nations.”*

Let me show you what YahShua Himself says would happen. *“The sun will be darkened and the moon will not give her light, the stars will fall from the sky.”* Was He talking literal here? Remember, YahShua said, *“The words that I speak are Spirit and life”* and He was “the Word of Yah” from the beginning.

What does the moon do in the natural? Science tells us she has no light of her own but reflects the light of the sun to the world in darkness. Even here we can see a type and shadow of what is happening. The sun, Son, has become darkened because He has no influence in the church anymore and the moon, visible church, no longer reflects the glory of Yah to a world in spiritual darkness. The stars, (**saints**), will fall from the sky, heaven, becoming carnal in their thinking and loosing their spirituality.

The last church age closed some time ago and we are no longer living in it. Just as the fourth beast was different from all the others because it changed, so the Laodicea church age has changed into the Beast System we can see today. Laodicea means “opinionated” in the Greek. Yah, through foreknowledge, saw the last church age would be ruled by the opinion of man and He would become unimportant.

People are funny. The other day I was talking to a person whose church had just finished a two-week revival. I asked if the CPR was successful and he looked at me very strange and muttered, “What do you mean?” If the churches were not dead they would not need to be revived. That is what a paramedic or doctor does to someone that is dead. To say we had a revival is to say my church is dead and we had to do CPR. They just keep pumping artificial life into the thing.

Right in the middle of YahShua telling His disciples about His Second Coming He inserts a very strange thing. He said, *“Wherever there is a carcass, there the vultures will be gathered together.”* The world is full of dead bodies of religion. They are on nearly every street and full of vultures. That sounds awful to say but you will find them there every Sunday and Wednesday feeding upon dead teaching and dead services. Emotionally charged yes, but spiritually dead. This is the way things will be just before YahShua returns, that is why He put it where He did. YahShua said of these people, *“...they worship Me in vain”*. Yah is not the Deity of the dead, but of the living. YahShua said, *“Let the dead bury the dead”, or try to revive it if they wish, “... You follow Me.”*

Due to the controlling influence of the church, true ministries of Yah burn out in the friction of its atmosphere. They are falling stars flung to the earth by the fourth beast. Hearing with carnal ears what the Spirit is saying unto the churches, they miss the message. YahShua said of this present religious order, "...*You do not realize that you are wretched, pitiful, poor, blind and naked*".

Religion has brought Yah's people into organizational captivity making them slaves to the church and many times to a ministry. Bound with fetters of religious ideology, they receive its mark, carnal religious thinking. They all bow down to the image, both great and small, rich and poor, and worship it. I just cannot buy the teaching of today's religious system and they sure will not let me sell mine to the people. YahShua counsels, "...*Buy of ME gold, Yahlikeness, refined in fire, so you can become rich; and white clothes, righteousness, to wear, so you can cover your shameful nakedness, self-righteousness, and salve to put in your eyes, understanding, so you might see, have revelation knowledge flowing through you*".

The angel told Daniel the vision prophecy was true, but was for the time of the end, the distant future. The first part was fulfilled with the coming of the Messiyah; the later portion is being fulfilled. We are Daniel's distant future.

Now these are the Generations of Religion:

Rome beget The Roman Catholic Church
The Roman Catholic Church beget Fundamentalism
Fundamentalism beget Pentecostalism
Pentecostalism beget Non-Denominationalism
Non-Denominationalism had many children: Faith Movement, Prosperity, Sensationalism, Emotionalism and many others.

Denominations:

Fundamentals and Pentecostals were once a true move of Yah, but have taken on the appearance and characteristics of their mother. They, like the Roman Catholic Church, have now become organizations controlled by men. Around the time the fig tree, Israel, begin to put forth her leaves the organized religions went to Washington D.C. with their charters desiring to be recognized along with the Roman Catholic Church. The government, acknowledging the potential political power they could carry and gave them tax-exempt status for separation of church and state. After a short time they became denominational zed, being run by powerful men in what is known as the "General Headquarters", under them are the, "District Headquarters" and under them the churches.

The Denominations soon became entities in themselves and evolved into the first beast of Revelation, giving its authority to the churches, second beast. It carries the second beast, False Prophet/Religion, and gives her its power and clout. Denominational Organizations are the governing power of the kingdom of religion with their ministries registered in Washington D.C. under one of the Denominational names. The false prophet

of this kingdom are ministering spirits, credential carrying men and women with deluding influences and other than Messiyah authorities, building little kingdoms for themselves and seducing man to follow them instead of Yah. These ride high upon the first beast and says, *"I am rich; I have acquired wealth and do not need a thing"*. In the churches the Holy Spirit has been replaced with a Religious Spirit and the anointing of Yah with emotionalism.

Denomination can be said, "de (**the**) nomination" or placed by vote. They virtually organize, voted, Yah right out of the picture. Ministries are set in place by denominations and voted into churches by popular vote. Yah has no say in the matter now and His Spirit has departed that order just as it did Judaism. They have become nothing more than glorified clubs ruled by the opinion of a College of Cardinals or a General Council of powerful men.

I know a woman whose son just finished seminar and is in the market for a position in the ministry. He obtained a list of positions in various churches within his organization. So, he sent his resume out and was invited to visit several. His mother told me she hoped he did not accept a position as "Youth Pastor" in a certain church for it would mean he would have to move out of state and she would not get to see her grandchildren very often. Later I ask her about it and she said, "He told me, sure he would take the position if it was offered to him. It is a great opportunity and there are lots of young couples our age in that church".

Now what is wrong with this scenario? Nowhere was the will of Yah thought of or considered. It was approached on a business level and Yah was left out. Then they expect Yah to bless what they have decided. It is sad to say, but this is the norm today.

Here is a bit of a shocker for you. YAH IS NOT CALLING PEOPLE INTO THE MINISTRY TODAY. HE IS CALLING THEM OUT OF IT! Out into the wilderness, deserted place, there to be alone with Him. There you find the Spirit of Yah working on the inner man conforming him into the image of His dear son.

I want you to know there is a vast difference between spirituality and religion. Spirituality embraces the anointing of Yah, and does His will above their very own. They are motivated by the *"Law of the Spirit of Life"* in the anointing instead of outward ordinances, rituals and formulas which hold out a false anointing, emotionalism. In the Organized Religious System all things are done to bring glory, wealth and power to the church, ministry or organization of that church or ministry. It usually looks pretty good because they say it is for the cause of Christ and they give Jesus, (**the myth**), the glory. Only one with a wise heart can understand the difference.

Daniel watched until it, the organized religious beast system, made war with the Saints and overcame them. Here is wisdom. Fallen man's number is six for he took on the character of the sixth day man of creation and Yah's number is seven. Seven is the number of completeness, for Yah is the personification of completeness and He completed His work on that day. Have you ever wondered why the number of the Beast

was six, six, six? Why not nine, nine, nine or some other number? It speaks of the religious unholy trinity, Catholicism, Fundamentalism and Pentecostalism. You can line sixes, man's religious order, up from here to eternity and they will never become a seven, spiritual order.

Daniel became so upset by what he saw in his visions that he became physically ill. Yah had mercy upon him and sent angels to ease his mind and explain what he had seen. One of the angels asked the other how long will it take for the vision to be fulfilled. The other angels replied, "2300 evenings and mornings". The term evening and morning was used only one other time in the scriptures and that was in the creation story of the book of Genesis. So, what the angel was saying was creation days were not twenty-four hour earth days. Now, before you get your calculator out remember YahShua said no man will know the day or the hour. But, He does admonish us to know the time and the season.

Antichrist:

Bible scholars who study prophecy speak a lot about the antichrist as though it was one man, but what does the word mean? In the Strong's Concordance the word antichrist comes from two Greek words. Anti: (473) meaning, "opposite or other than", not against as our culture uses the word, and christ: (5547) means, "anointed one". There is something more subtle here, not only in the name, but also in the nature. I am speaking of subtle deception. No one would be deceived if it came blatantly against YahShua. The word Christ is Greek and a myth. It is aligned with Jesus the Greek name derived from 'Zeus'(Je'zeus). So antichrist is "Other than the anointing or opposite than anointed by Yah". YahShua was 'The Anointed One' of the Hebrew faith, but after the Holy Spirit was poured out there became many anointed ones in the earth thus you have the sons of Yah and the false antichrists.

Let's look at what the angel had to say about this fourth beast, man's last kingdom. As I said before he was more interested in what this kingdom was doing than who it was. What someone does usually tells you who he or she is. The angel describes it as being very strong, destroying mighty men and the holy people. Then he goes on to say, deceit will prosper and, he will consider himself superior and take his stand against the Prince of Peace. The Roman Empire did not need deceit to rule, they ruled by power.

Daniel records this testimony, "*It set itself up to be as great as the Prince of the host; it took away the daily sacrifice from Him, and the place of His sanctuary was brought low.*"

Since the New Covenant was established Yah's people are His sanctuary, the Temple of the Living Yah. Most have let the Religious Spirit in the churches seduce them into a form of worship ordered and orchestrated by man. The Babylon Harlot Religious System has taken away from Him the daily sacrifices. "...*Offer your body a living sacrifice, holy and pleasing to Yah, ...this is your spiritual act of worship.*" "*What, know you not that to whom you yield yourself to obey, ...has dominion over you*" How could

this happen? That, my friends is the power of the Religious Spirit, the abomination that makes desolate spoken of by YahShua which is the spiritual fulfillment of the type and shadow Daniel saw in his vision.

This is how history records it:

Babylon 626 BCE to 530 BCE
Medo-Persia 530 BCE to 330 BCE
Greece 330 BCE to 63 BCE
Rome 63 BCE to around 400 ACE
Catholicism around 400 ACE to present
Fundamentalism 1530 ACE to present
Pentecostalism 1906 ACE to present
Non-denominationalism early 1970s to present

Each Denomination boldly declares they are the one with the truth and all the time they have strife, envy and confusion in their ranks. These ingredients create turmoil and division. The people will not mix. Where confusion is present there is no peace. Anyone who is opposite or other than the Hebrew/Aramaic 'Anointed One' is antichrist and is found at war with YahShua the Prince of Peace.

There is no schism in the body of Messiyah believers, the true anointed ones. The wisdom of true spiritual order that comes from heaven will be first of all pure, not mixed with man, then peace loving, considerate, submissive to Yah's order of things, full of mercy and good fruit, impartial and sincere. Peacemakers who sow in peace, raise a harvest of righteousness.

In the churches of today you hear plenty about Jesus (**the myth**) but sadly you hear little about YahShua and Yah the Father. It is Jesus this, and Jesus that, Jesus, Jesus, Jesus. The very opposite of what YahShua Himself taught. Let me say here that YahShua never glorified Himself. Nor did He intend for man to put more emphasis on Him than on Yah. YahShua always pointed man to Yah the Father, and taught them to pray to Him. He came to make it possible for man to have a relationship with Yah through His sacrifice. He is our elder brother and He wants His siblings to know their Father Yah. Our eyes and focus are to be upon Yah the Father, for that is the true purpose of YahShua. YahShua was Yah in the flesh so He could bring us from the flesh to be sons of Yah, a new creation man, and dwell where He is.

YahShua tried to tell us the antichrist was a religious power of the last days. He said many shall run to and fro looking for "Christ", an anointing, and that is just what is happening. YahShua further says that we should not go looking for the anointing for when He comes it will be like lightning, all will see it wherever it comes.

So, antichrist is not a world ruler, but a man oriented religious system based upon Greek mythology boasting an anointing but is the False Prophet and holds out only charisma and emotionalism.

Natural and Spiritual:

Man has meddled in spiritual affairs since the first church age bringing their fallen nature into it and polluting it, making it just a religion. Hebrew-Aramaic manuscripts were translated into Greek, of which our New Testament is taken, and they polluted it with their Greek deities. Man constantly is found pulling heavenly things down to the earth realm like stars flung from the sky. Taking the children's bread away from them. Turning spiritual things into earthly things and turning earthly things into religious things.

Most people have no clue as to the difference between earthly kingdoms and spiritual kingdoms, earthly things and heavenly things. The carnal or natural are tangible and spoken of as such things that can be acknowledged by the five senses: Sight, touch, taste, smell and hear. Spiritual things are intangible and known only by your spirit man that dwells inside.

If the Bible says, "tree" it is speaking of a power with many branches of influence. If it speaks of a banquet it is not speaking of turkey, dressing and mashed potatoes, it is speaking of fellowship with Yah, revelation knowledge and spiritual blessings. If it talks of wealth, it does not mean a large manor, five cars and unlimited money to spend. It means spiritual principles that give you stability, holiness, Yahlikeness, peace and security in the face of all life's upheavals. It means an inheritance in the presence of our Heavenly Father and a place in the Kingdom Age. Streets of gold, a walk of Yahlikeness.

Called Out:

This Kingdom Age is upon us now and he who has ears is hearing the Spirit's call. *"Come out of her, my people, so you will not share in her sins, so you will not receive any of her plagues."*

Yah always moves out first and then calls forth His true followers, a type of which we see in Israel's wanderings in the wilderness. When the Glory cloud moved, they moved, where it went they followed. If they did not move when the Glory cloud moved they found themselves without Yah's presence. The Glory departed Judaism when the religious leaders refused to move on into the next realm, the New Covenant. The Glory has departed each church age when it became polluted and obsolete, just as He has now departed the Demoninationalized Religious System of today.

Shortly after World War II Yah began to move out of religion and to call His people out from among them. I was called out in nineteen seventy-three, but I have talked to others who said they heard the call shortly after Israel, Fig Tree, became a nation, put forth leaves. A literal interpretation here for those with carnal minds. Many others have come out since, but because of the carnal teachings in the churches they misunderstand the message. They become frustrated and feel guilty because they no longer enjoy going

to church or they just cannot seem to find a comfortable place to go or do not seem to fit in.

They have been made impotent by the religious denominations and do not know to seek Yah for themselves. If they do seek Him they hear things that does not stack up to the doctrines of the church so they believe they are hearing the voice of the Devil and cast it down. Most are unable or unwilling to admit that what they have been taught is not what, thus says the Lord. Take heart, all is not lost. Yah is in control and man's time is nearly up. Seek Yah until revelation knowledge begins to flow through you and then you will find understanding. He has been speaking all the time; it's just that you have been in a place where His voice is drowned out by traditions and doctrines.

Apparently there was a time lapse while the king watched the statue before the stone not cut out with hands smashed it. It has been over two thousand years and the next kingdom will be the Kingdom of Heaven, smashing all religious orders. YahShua taught us to pray it would come.

Kingdom of Heaven:

There are two spiritual kingdoms just like there are two beast kingdoms. One is the spirit of the thing and the other is the government. YahShua said the Kingdom of Yah comes without observation for it is within you. This is our salvation and Yah coming to man in his heart, the spirit of the Kingdom. The Kingdom of Heaven, however, is His government. It is where YahShua sits on the right hand of the Father and where the throne of authority resides. The latter kingdom is the one Daniel saw coming to earth.

In Daniel's first vision he records, "*As I looked, thrones were set in place...*" YahShua told us He was going to prepare a place for us. Now are you being carnally minded here? What are thrones? They are places of authority presided over by kings. YahShua our elder brother is King of Kings; so it remains that there must be some kings for Him to be King over. "*...For He has made us all both priest and kings.*" Kings to put things back in order, to rule and judge the matters of heaven as well as earth. "*This is the meaning of the vision of the rock cut out of a mountain, but not by human hands - a rock that broke the iron, the bronze, the clay, the silver, and the gold. ...This interpretation is trustworthy.*"

Daniel told the King, "*...While you were watching, a rock was cut out, but not by human hands,*" and it struck the feet and toes kingdom and destroyed it. Now you know that the coming Kingdom of Heaven will not smash those physical governments long in ashes. Of what possible purpose would there be in it anyway since all physical governments are placed in power by Yah Himself and removed at His whim. I want you to notice that the stone struck the statue on the feet. "*In the time of "those kings", more than one antichrist, the Yah of Heaven will set up a kingdom that will never be destroyed, nor will it be left to another people. It will crush all those kingdoms and bring them to an end, but it will itself endure forever.*" The Kingdom of Heaven will be eternal and there will be no mourning, no crying or pain, no poverty, no murder, no hate and best of all

right will prevail, good will have overcome evil, for the old order of things will have passed away.

This kingdom “*became a huge mountain and filled the whole earth*”. This brothers and sisters is the only one world government you will ever see. In the natural as each generation dies off the government passes to the next. Well, not in Yah’s kingdom, for there will be no more death. Just imagine a world where men do not have to die. A time when immortal sons of Yah will walk the earth with mortal man and all can take part in everlasting life.

The rock in the king’s dream was cut out, but not by human hands, is the Kingdom of Yah ministry. This is one move of Yah that man will not control or manipulate for it will be Yah ordained, Yah directed, Yah sustained and Yah protected. Never again shall His will come into conflict with man’s will for He has prepared sons and those in the last day movement will be spirit beings walking as YahShua did after His resurrection.

At the beginning of the Kingdom Age the sons of Yah will be revealed to the world in power and full of glory. Our physical existence is the womb of eternity and even now we are turned, toward Yah, and in the birth canal about to be delivered. We are groaning with nature desiring it. Earthquakes and bad weather have increased at an astounding rate. Even science is aware that something is about to happen. Whether man receives or rejects the sons of Yah, creation will welcome them with open arms.

Yah has a people who have come out of man’s denominationalized religious order and seeks Yah to bring them up into the Heavens. People who are learning to be spirit beings and whose life and nature are being conformed to that of Yah’s. These will not pollute or bring anything of the old nature into the New Kingdom because the old man of the earth with its carnal ways will die in the wilderness as Israel of old.

Someone said, “Ah come on, get real, if people lived forever there wouldn’t be any place to put them all.” Yah did not create anything in vain. Everything has a purpose and all those worlds out there in space were not put there for us just to peer at with a telescope. Space travel has become possible in our generation. Why? Because the kingdom is at hand again, and the beginning of eternity is upon us. That is what we were born spiritually to live in.

Awake and hear the call of the Spirit. Seek Yah, not man, until revelation knowledge springs to life in you and the voice of the spirit can be heard. I am always available to answer the questions of a hungry heart. It is Yah’s will that we help one another up the hill to transfiguration. However, keep in mind that it is not revelation knowledge that we should seek, but “HIM”. Spiritual understanding will automatically come as we become more aware of “HIM” and become more like “HIM”. Many fall short of full sonship by becoming too caught up in the revelation, and not caught up “IN HIM”. “HE” must have preeminence in our life even in our getting of revelation knowledge. I cannot stress this enough. Only if you fast from man’s religion and spend precious time

alone in communion with your Father Yah will you satisfy the deep longing of your soul. The deep calls unto the deep, whom will hear?

Yah will deal with the Religious System and her Babylonian statue attitudes and the sons of Yah will bring immortality to light. You can take part in the end time move of Yah and be a part of what Yah is about to do if you are willing to be stripped of yourself and the old order.

“Present your body a living sacrifice unto the Lord which is your reasonable service.”
