

## **FUTURE HOPE**

The religious church is waiting for  
a rapture to heaven's door  
To fly somewhere beyond the blue  
until the antichrist is through

The Messiah prayed the disciple's prayer  
not to take them anywhere  
"Just keep 'em from the evil one  
and help them all to overcome"

All of creation travails in birth  
The sons of Yah to appear on earth  
Death, corruption and decay  
the sons of Yah will take away

His glory in the earth will stand  
for this will complete His plan  
When the last trump shall sound  
in His presence we'll be found
