

JUBILEE

The year of Jubilee is at hand
The time of freedom for mortal man
The trumpet message is sounding clear
Announcing the birth of a brand new year

“Thy Kingdom come,” The Messiah said to pray
All the signs are pointing to that day
On the horizon the dawning light
The redemption of man is in sight

Freedom is the theme of Jubilee
And it will come to set men free
Free from life in this carnal realm
Free to live and move in Him
