

## NEW NATURE

We have a new nature in our fleshly earth  
placed there by Yah upon spiritual birth  
Like the pattern Son in Yah's mighty hand  
we also have become a new creation man

Our sinful life died with Him on the cross  
but we soon found, it was no great loss  
Father has given us a new life to begin  
the nature of Yah placed deep within

Beyond the cross on resurrection morn  
the new creation Man of Yah was born  
The pattern Son came for us to see  
exactly how Father wants us to be

While we are hid from the eyes of men  
Yah perfects His creation work again  
We'll have His nature when He's done  
and be manifest as Yah's dear Son
