

TAKING CARE OF BUSINESS

It does not matter how you feel
it's enough to know that Yah is real
He bears you up on heavenly wings
speaks words of comfort in trying things

When life comes crashing in on you
call His name and He'll see you through
The answer will come, you know not where
but as sure as the dawn it will be there

When you sense loss, pain, and defeat
run unto Him and you'll find a retreat
His unseen hand will reach out in love
sending His peace on the wings of a dove

There are times you think He is gone
but He is watching from the dawn
You may not see Him but He is there
to show you His love and His care

His Spirit will recall His word to you
and then you will know just what to do
Suffer with patience, stand still and sing
see the salvation the Lord shall bring
